28 The Role of the Nurse in Combating Human Trafficking

By Donna Sabella

Trafficked victims access health services, yet most providers don’t recognize the signs that someone is being trafficked. Learn how to safely intervene.

40 Original Research: Local Anesthesia Before IV Catheterization

By Sandra Drozdz Burke, Sonia J. Vercler, Ra’Net O. Bye, P. Corinn Desmond, and Yvonne W. Rees

This article compares the efficacy of intradermal buffered lidocaine with that of intradermal bacteriostatic normal saline in providing local anesthesia prior to IV catheterization.

48 Emergency: Managing Pediatric Asthma Exacerbations in the ED

By Diana I. Volpe, Mary Fallon Smith, and Kathleen Sultan

Evidence-based guidelines and educational resources guide clinicians in the emergency management of asthma.

54 Art of Nursing

By Stacy R. Nigliazzo

“Sketch,” a poem.

55 Letters from Afghanistan: Daily Life and ‘Dirty’ Work

By Christopher A. Vanfosson

An army nurse keeps readers up to date on his team’s experiences in Afghanistan in the third article in this series.

58 Atrial Fibrillation Ablation

By Thomas W. Johnson, Emily Anne Jadick, and Lynn Knippers

Nurses need to become familiar with radiofrequency catheter ablation—an increasingly common, but complex, procedure.

72 Reflections: The Wisdom of Nursery Rhymes

By Julianna Paradisi

When a little laughter and play is a matter of life and death.
