337 Acute Care Observations: Can We Turn a Lemon Into Lemonade?

Barbara Resnick

FEATURE ARTICLES

341 Attitudes Toward Life-Sustaining Treatment: The Role of Race/Ethnicity

Eunjeong Ko, Sunhee Cho, and
Monica Bonilla

This study explores attitudes regarding life-sustaining treatments between Korean American and Mexican American older adults.

350 Factors Affecting Caregivers' Perceptions of Residents' Oral Health in Long-Term Care Facilities in Taiwan

Yen-Ping Hsieh, Shou-Jen Lan,
Ying-Chia Huang, Chiao-Lee Chu,
Yu-Hsuan Chen, Shin-Han Wu, Chih-Yu Liu,
Tsuei-Ping Hung, Ching-Yu Peng, and
Ya-chin Chen

The purpose of this study was to investigate the differences between resident oral care policies and factors affecting long-term care (LTC) institutional caregivers' perceptions of the resident's oral health in two different types of long-term care institutions in Taiwan.

358 Physical Activity and Psychosocial and Mental Health of Older Caregivers and Non-Caregivers

David X. Marquez, Eduardo E. Bustamante,
Sarah Kozey-Keadle, Jennifer Kraemer,
and Iraida Carrion

The purpose of this study was to assess and compare physical activity (PA), PA

preferences, psychosocial determinants of PA, and mental health indicators between older non-exercising caregivers and non-caregivers.

366 The Role of Caregiver Burden in Understanding African American Custodial Grandmothers

Gloria F. Carr, Bert Hayslip Jr, and
Jennifer Gray

This study examines the physical and mental health, needs for information about services, needs for service, and service use of African American grandmothers who parent their grandchildren.

375 A Haven of Last Resort: The Consequences of Evacuating Florida Nursing Home Residents to Nonclinical Buildings

Janelle J. Christensen, Lisa M. Brown,
and Kathryn Hyer

Recommendations for reducing patient and nursing staff injuries for those forced to evacuate to a non-clinical building as the result of an emergency event are provided.
