SPOTLIGHT: INNOVATION ON THE FLY

60 INNOVATION
Build an Innovation Engine in 90 Days
You don’t need a lot of time, a big investment, or even any new hires to get a reliable innovation system up and running at your company. Scott D. Anthony, David S. Duncan, and Pontus M.A. Siren

70 EXPERIMENTATION
The Discipline of Business Experimentation
Make sure that the decision to launch a novel offering is based on data—not just on intuition—by running a statistically valid test. Stefan Thomke and Jim Manzi

80 LEADERSHIP
Leading Your Team into the Unknown
Good managers lead innovation more by deeds than by words, challenging others by keeping an eye out for the unusual, questioning assumptions, and serving as chief experimenter rather than chief decision maker. Nathan Furr and Jeffrey H. Dyer
