COVER STORY

15 M.A. 2548

46 **The Truth About the Coming Labor Shortage**

A labor squeeze is on the horizon, but relying on popular predictions won't help you understand if your business will be affected, or by how much. Here's the real story. *Robert J. Grossman*

TRAINING & DEVELOPMENT

54 **Diving In**

Letting new executives fend for themselves in the first year can be a major—and costly—mistake. *Susan J. Wells*

GLOBAL HR MANAGEMENT

60 **Evaluating Returns on Expatriates**

To measure the return on expatriate investments, HR first must capture the costs and set objectives. *Eric Krell*

Special Report on Outsourcing

66 **In the Path of Trailblazers**

Pioneers of the HR BPO trail are beginning to renegotiate their contracts. What tales do they have from the journey? *Ann Pomeroy*

74 **Payroll: In, Out or In Between?**

Payroll outsourcing is not a one-size-fits-all solution. Discover whether you should outsource all, part or none. *Carolyn Hirschman*

82 **Spread the Word—Correctly**

HR employees—like any others—deserve timely, honest, well-prepared information regarding outsourcing decisions that affect them. *Lin Gensing-Pophal*

HR Agendas

GLOBAL HR MANAGEMENT

91 **The Long and Short of It**

Avoid possible financial pitfalls when transitioning to a long-term expatriate assignment. *Steven P. Nurney*

AWARDS & INCENTIVES

97 **Just Desserts**

Looking to thank employees for a job well done? Try a steak, medium-rare. *Diane Cadrain*
