feature articles

76 Induced Lactation: Gaining a Better Understanding

CE

Did you know that women who have not been pregnant can sometimes accomplish lactation and breastfeeding? Read this interesting article for information you might never before have seen.

Sarah L. Wittig, Student Nurse, and
Diane L. Spatz, PhD, RNC, FAAN

84 Meeting the Needs of the Postpartum Woman With Epilepsy

This nurse helps all of us better understand the precautions needed by women with epilepsy. Which medications are safe? What newborn safety measures are necessary?

Jennifer B. Rousseau, MSN, RNC, WHNP

90 Preconception Care and Pregnancy Planning: Voices of African American Women

These nurses asked women about planning for a pregnancy. Do women think about seeing a provider for healthcare in preparation for a pregnancy?

Renee Branch Canady, PhD, MPA,
Linda Beth Tiedje, PhD, RN, FAAN, and
Cheryl Laubert, DPA, MSN

98 Assisting Pregnant Women to Prepare for Disaster

Natural and unnatural disasters have been in the news far too frequently. Do you know how to help pregnant women be ready for such an emergency?

Bonnie Ewing, PhD, RN, Susan Buchholtz, EdD, ACNP, and
Richard Rotanz, MS

104 Understanding School-Age Obesity Through Participatory Action Research

Is there a best way to understand obesity among school-age children? Can the BMI serve as a proxy measure for fitness among this population?

Pamela P. DiNapoli, PhD, RN, and James B. Lewis, ScD

111 Addressing the Childhood Obesity Crisis: A Call to Action

CE

These authors show us that it's time to stop blaming the children, and instead work toward changing the "obesogenic environment" in which we all live. Action needs to take place at the family, community, and policy level.

Geraldine M. Budd, PhD, RN, CRNP, and
Laura L. Hayman, PhD, RN, FAAN

121 State of the Science on Postpartum Depression: What Nurse Researchers Have Contributed—Part 1

One of the preeminent scholars in our profession, Dr. Beck is now presenting a two-part series on postpartum depression, and what nurses have studied to help us base our clinical practice on evidence.

Cheryl Tatano Beck, DNSc, CNM, FAAN

Ongoing columns

70 EDITORIAL

A New Day for Pediatric Nurses

An effort by the nursing organizations most dedicated to pediatric nursing practice has led to new standards of care.

Margaret Comerford Freda, EdD, RN, CHES, FAAN

72 SECOND OPINION

Should Postpartum Units Be "Formula Free"?

This argument never goes away. What is your opinion?

Coordinated by Heidi VonKoss Krowchuk, PhD, RN, PNP, FAAN
Debaters: Barbara Carder, RN, IBCLC, and
Valerie Bickings, MSN, RN, ARNP

127 INFANT NUTRITION

Helping Breastfeeding Mothers Eat Well

When infants are breastfeeding, their mothers' nutrition is of paramount importance. Learn what you should be doing to help.

Karen H. Morin, DSN, RN

128 THE NEW NETWORKING

Newborn Identification and Barcodes

Barcoding isn't just for the supermarket anymore. Find out how hospitals are using barcoding ID bands for babies.

Patricia R. McClartney, PhD, RN, FAAN

129 GLOBAL HEALTH AND NURSING

Cesarean Birth Rates: Global Trends

We know that in the United States cesarean birth rates are soaring. What's happening in the rest of the world?

Lynn Clark Callister, PhD, RN, FAAN

130 TOWARD EVIDENCE-BASED PRACTICE

Experts suggest how 6 research articles can be used in nursing practice.

Judy Beal, DNSc, PNP, RN, and Maureen Heaman, PhD, RN

135 PERINATAL PATIENT SAFETY

Medication Safety With Heparin

You've probably read about the celebrity whose twins were in the NICU. Dr. Simpson explains the issues.

Kathleen Rice Simpson, PhD, RN, FAAN

136 SPECIAL REPORT

New Guidelines for Diagnosis and Management of Asthma

Do you know about the newly revised guidelines?

Jane Corrarino, MSN, RN

2004 Award Winner

MCN AWARDS

The **MCN Practice Article of the Year** and The **MCN Research Article of the Year** are chosen by a distinguished panel of experts, and designate these articles as having outstanding scholarly attributes as well as clear applicability to clinical nursing practice. Each year, award winners will be notified in January and listed in the January/February issue of **MCN**. See the **MCN** Web site for a list of all winners.

MCN Author Guidelines are available at www.mcnjournal.com
