## feature articles

### 286 Special Report: Nursing Implications of the 2006 NIH State of the Science Conference Statement: Cesarean Delivery on Maternal Request

*Is this happening where you work? Women are requesting primary cesarean births for personal and social reasons. The National Institutes of Health convened a special conference to review this important new development in perinatal care, and Dr. Linda Mayberry has summarized their conference statements for MCN's readers.*

Linda Mayberry, PhD, RN, FAAN

### 290 Capturing Children's Voices for Quality Improvement

*When these nurses asked children of varying ages about their hospitalizations, the answers proved to be helpful to everyone in the institution.*

Linda Lindeke, PhD, RN, CNP, Miyuki Nakai, MS, RN, and Lauren Johnson, MS, RN, CNS

### 298 Proposed Guidelines for Skin-to-Skin Treatment of Neonatal Hypothermia

*Studies have been done, results have been positive. Is it time to now put the evidence into practice?*

Maura Galligan, MSN, RN, FNP

### 307 Every Labor is Unique: But Call When Your Contractions are 3 Minutes Apart

*How can we help women know with any certainty when to come to the hospital in labor?*

Lisa Kane Low, PhD, CNM, FACNM, and Amy Moffat, MAA

### 313 Developing a Worksite Lactation Program

*Here's an opportunity for a nurse entrepreneur to initiate a lactation support/education program for industry. Dr. Click gives you the essentials.*

Elizabeth R. Click, ND, RN, CLE

### 318 Promoting Exclusive Breastfeeding for Hispanic Women

*Minority women have low rates of exclusive breastfeeding. How can we as nurses help Hispanic women to breastfeed exclusively?*

Ivonne F. Hernandez, BS, RN

### 325 Lessons Learned in Translating Research Evidence on Early Intervention Programs into Clinical Care

*When you read about a great intervention done in a research project, do you wonder how that can be translated into the real world of clinical practice? These authors share their experiences with you.*

Sharon Tucker, DNSc, RN, CNS, Lisa Klotzbach, MS, RN, Gayle Olsen, MS, RN, Judy Voss, MS, RN, Barb Huus, MS, RN, Richard Olsen, MD, Kathy Orth, MS, RN, and Patricia Hartkopf, PhD, RN

## ongoing columns

### 282 EDITORIAL

#### The Miracle

*Can everything be explained?*

Margaret Comerford Freda, EdD, RN, CHES, FAAN

### 284 SECOND OPINION

#### Are Attorneys Responsible for Rising Healthcare Malpractice Costs?

*Where will it end? Is there any hope of getting the malpractice mess under control?*

Coordinated by Kathleen Leask Capitolo, DNSc, RN, FACCE

Debaters: Beverly Deaton, MSN, RNC, and Debra Hobbins, MSN, APRN

### 332 INFANT NUTRITION

#### More on Introducing Solids

*There's a lot for all of us to learn about the introduction of solid foods to infants.*

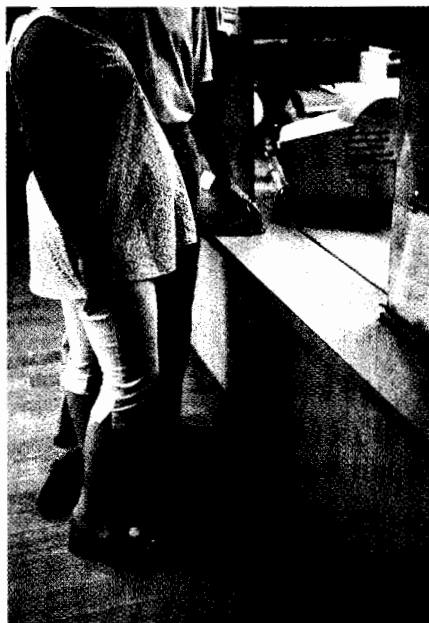

Karen H. Morin, DSN, RN

### 333 THE NEW NETWORKING

#### School Nursing and Telehealth

*How about this? Your child gets ill at school, but because of telehealth capabilities, he can be examined by a physician or nurse via the computer, thus reducing school absence. Learn more here.*

Patricia McCartney, PhD, RN, FAAN

### 334 GLOBAL HEALTH AND NURSING

#### Being Only One and Making a Difference

*This story of one nurse and what she accomplished to improve global health is truly inspiring.*

Lynn Clark Callister, PhD, RN, FAAN

### 336 TOWARD EVIDENCE-BASED PRACTICE

*Experts suggest how six research articles can be used in nursing practice.*

Judy Beal, DNSc, PNP, RN, and Maureen Heaman, PhD, RN

### 340 PERINATAL PATIENT SAFETY

#### Minimizing Risk of Magnesium Sulfate Overdose in Obstetrics

*A woman recently died after receiving magnesium sulfate. Dr. Simpson helps us with important safety measures.*

Kathleen Rice Simpson, PhD, RN, FAAN

2004 Award Winner

#### MCN AWARDS

The **MCN Practice Article of the Year** and the **MCN Research Article of the Year** are chosen by a distinguished panel

of experts, and designate these articles as having outstanding scholarly attributes as well as clear applicability to clinical nursing practice. Each year, award winners will be notified in January and listed in the January/February issue of *MCN*. See the *MCN* Web site for a list of all winners.

**MCN Author Guidelines are available at [www.mcnjournal.com](http://www.mcnjournal.com).**

When citing an article from this Journal in your CV or in a reference list, please use the Journal's complete name every time: "MCN The American Journal of Maternal Child Nursing"
