FEATURES

14 Pay-for-performance: Will it work?

The institution of evidence-based practices in the workplace promotes optimal clinical outcomes and improved quality of life.

By Maureen C. Melia, RN, CNA, BSN

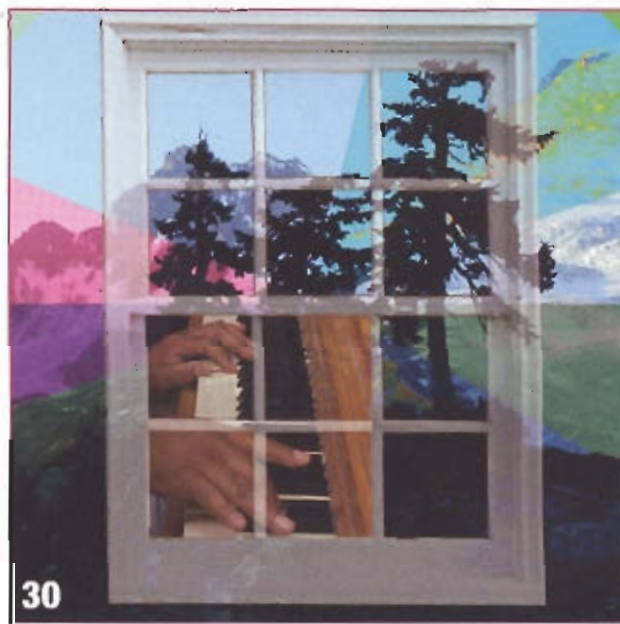

- 23 No time to lose** *Results from Nursing Management's exclusive Aging Workforce Survey of nearly 1,000 nurses, in partnership with Bernard Hodes Group, demonstrate the lack of comprehensive strategies designed to retain aging nurses. Magnet hospitals are a bright spot.* *By Richard Hader, RN, CNA, CHE, CPHQ, PhD, FAAN, and Cynthia Saver, RN, MS*
