### GASTROINTESTINAL HEALTH

#### **38 Assessment and Differential Diagnosis of Abdominal Pain**

*Sally K. Miller, PhD, APN, FAANP;  
Patricia T. Alpert, DrPH, APN, FAANP*

Abdominal pain as a chief complaint can present a significant diagnostic challenge in the primary care setting. While a variety of diagnostic imaging tests can rule in or out a particular diagnosis, the clinician must make several judgment calls before getting to that point.

### Manuscripts

The *Nurse Practitioner* is a refereed journal and articles are accepted on a nonremunerative basis. Submitted manuscripts must contain original material and are reviewed with the explicit understanding that their essential substance or contents have not been or will not be submitted for publication elsewhere. Lippincott Williams & Wilkins, no responsibility for the statements and opinions advanced by contributors. The *Nurse Practitioner* The American Journal of Primary Healthcare is registered in the U.S. Patent Office, 1970. The names and contents are copyrighted. © 2006 Lippincott Williams & Wilkins. No responsibility is assumed by the publisher for any injury or damage to persons or property as a matter of products liability, negligence or otherwise, or from any use or operation of any methods, products, instructions or ideas contained in the material herein. No suggested test or procedure should be carried out unless, in the reader's judgment, its risk is justified. Because of rapid advances in the medical sciences, we recommend that the independent verification of diagnoses and drug dosages should be made. Discussions, views, and recommendations as to medical procedures, choice of drugs, and drug dosages are the responsibility of the authors.

### Reprint Information

Quotes of up to 500 words from any issue are permitted, for noncommercial purposes, with credit to *The Nurse Practitioner*, except for articles bearing a copyright notice of others. Authorization to photocopy (reproduction of articles via photocopy equipment) up to 100 copies of items from *The Nurse Practitioner* for educational, non-commercial purposes is granted at no cost by Lippincott Williams & Wilkins, except for articles bearing a copyright notice of others. Requests for other purposes or for over 100 copies are authorized provided that the appropriate fees are paid to the Copyright Clearance Center (CCC), 222 Rosewood Dr., Danvers, MA 01923, telephone 978-750-8400. *The Nurse Practitioner*, ISSN 0861-1617, specifying volume, number, date and title of article.
