24 Psychosocial Adjustments Following Weight Loss Surgery
The dramatic changes that accompany gastric bypass surgery can weigh more on a patient's mind than the pounds lost. Learn the 3 types of issues to assess in this postoperative population.
Diane Grimaldi, PMHCNS, BC; and Deborah Van Etten, PMHCNS, GNP, BC

30 Unawareness as a Barrier to Treatment in Patients with Schizophrenia: A Conceptual Analysis
Review the 4 models that attempt to explain the cause of anosognosia, or lack of knowledge, that may cause patients with schizophrenia to become nonadherent.
V. Jude Forbes, RNC, MSN, FNP-BC

37 H1N1 Pandemic Planning in a Mental Health Residential Facility
Your facility may be prepared for a natural disaster, but can it handle an infectious disease outbreak? See how one mental health facility in New Zealand managed its clients and community after the swine flu hit.
Frances A. Hughes, RN, DNurs, JP, ONZM, FCOMHN(NZ)
