35 COVER **Power Brokers**

Move over, Old Guard. A new generation is calling the shots in the fashion and beauty industries. A look at 22 talents who have climbed from the second row to the first

10 **Right This Minute**

Forget flounces and flowers. It's all about tough chic—as in skull rings and studs

13 **Notebook**

The Geisha look; Robert Cavalli vodka; Porsche accessories. Plus: Japan's first Fashion Week

16 **The A List**

What's hot at specialty boutiques around the world

18 **Icon**

Christian Dior forever changed fashion by putting his name on everything from peplums to perfumes

22 **Navigator: London**

Italian designers Domenico Dolce and Stefano Gabbana frequently find inspiration in this city's fashion, furnishings and food

24 **10 Questions**

Tom Ford famously revamped Gucci and then left the business. Now he talks about what's in store

26 **Artifact**

Five decades of the Chanel bag

28 **Make It Mod**

This season's "It" girl, Gemma Ward, models miniskirts, boxy jackets and lots of patent leather

48 **Working It**

Barry Blitt on the new status symbols
