## feature articles

### 230 An Intervention Program for Families With Irritable Infants

*These nurses have used decades of experience studying irritable infants to develop an intervention program that works.*

Maureen R. Keefe, PhD, RN, FAAN, Gail A. Barbosa, ScD, RN, Ann Froese-Fretz, MS, RN, CPNP, Anne Marie Kotzer, PhD, RN, and Marie Lobo, PhD, RN, FAAN

### 237 Tailoring STI & HIV Prevention Programs for Teens

CE

*HIV and STI prevention are essential education for adolescents. What special elements need to be incorporated into such programs for teens?*

Patricia J. Kelly, PhD, MPH, RN, FNP, Janna Lesser, PhD, RN, and Alexandria Smoots, MS, FNP

### 245 Family Functioning and Hope in Children With Juvenile Rheumatoid Arthritis

*A chronic illness in a child presents a family with unique challenges. Dr. Connolly describes how families cope.*

Thomas W. Connolly, Jr., PhD, RN

### 251 Lack of Preparedness: Experiences of First-Time Mothers

*It's not easy being a primipara.*

Lynn George, PhD, RN

### 256 Across the Fertility Lifespan: Desire for Pregnancy at Conception

*This important study, conducted in 98 institutions in Iowa, examined intendedness of pregnancy. Their results present us with challenges to this ongoing problem.*

Mary Lober Aquilino, PhD, RN, FNP, and Mary E. Losch, PhD

### 263 Early Intervention for Children and Families With Special Needs

CE

*Hopefully we all refer appropriate families to early intervention programs. What do those programs do? What are the eligibility criteria?*

Lauren E. Blann, MSN, RN, CRNP

### MCN AWARDS

The **MCN Practice Article of the Year** and The **MCN Research Article of the Year** are chosen by a distinguished panel of experts, and designate these articles as having outstanding scholarly attributes as well as clear applicability to clinical nursing practice. Each year, award winners will be notified in January and listed in the January/February issue of *MCN*. See the *MCN* Web site for a list of all winners.

**MCN Author Guidelines are available at [www.mcnjournal.com](http://www.mcnjournal.com).**

When citing an article from this Journal in your CV or in a reference list, please use the Journal's complete name every time: "MCN The American Journal of Maternal Child Nursing"
