20 **AJN Reports: What's the Future of Hospital at Home in the United States?**

By Jacob Molyneux

Programs offering this promising acute care model have proliferated since 2020, but payment and regulatory structures to address equity, oversight, and sustainability are needed.

28 **Original Research: Patient-to-Nurse Violence During One-to-One Assignments: A Silent Epidemic**

By Miranda Squire and Karen Hessler

This qualitative cross-sectional study investigated workplace violence from the perspective of nurses and nursing assistants working one-to-one assignments who experienced violent encounters with patients or visitors.

36 **Caring for Patients After Ileostomy Surgery**

NCPD

By Teresa McCartney, Ashley Markwell, Mackenzie Rauch-Pucher, and Jessica Cox-Reber

A review of postoperative care following ileostomy, including hydration, medication, and nutritional management.

46 **Supporting Family Caregivers: No Longer Home Alone: Managing Older Adults' Chronic Pain: Lower-Risk Interventions**

By Paul Arnstein, Marcia Shade, Keela A. Herr, Heather M. Young, and Scott M. Fishman

This article—part of a series published in collaboration with the AARP Public Policy Institute—discusses evidence-based, lower-risk strategies to control pain and describes how nurses can engage family caregivers in using them.

54 **Perspectives on Palliative Nursing: Spiritual Care as a Core Component of Palliative Nursing**

By Megan Miller, Katie Addicott, and William E. Rosa

The authors highlight the relevance of spiritual care to palliative nursing and offer practical tips to incorporate spiritual care into everyday nursing practice.
