

UNIT ONE

Role and Context of Community/Public Health Nursing Practice, 1

1 Responsibilities for Care in Community/Public Health Nursing, 2

Claudia M. Smith

Visions and Commitments, 4

Distinguishing Features of Community/Public Health Nursing, 5

Theory and Community/Public Health Nursing, 7

Goals for Community/Public Health Nursing, 11

Nursing Ethics and Social Justice, 11

The Nursing Process in Community/Public Health, 13

Responsibilities of Community/Public Health Nurses, 14

Expected Competencies of Baccalaureate-Prepared Community/Public Health Nurses, 22

Leadership in Community/Public Health Nursing, 24

2 Origins and Future of Community/Public Health Nursing, 31

Claudia M. Smith

Roots of Community/Public Health Nursing, 32

Definition of Public Health, 37

Nursing and Sanitary Reform, 38

Population-Focused Care and Subspecialties, 38

Expansion into Rural America, 41

Government Employment of Public Health Nurses, 43

Dichotomy in Public Health Nursing, 43

Educational Preparation for Public Health Nurses, 44

Community/Public Health Nursing: 1965 to 2000, 44

Community/Public Health Nursing: Present and Future, 45

Continuing Issues, 50

3 The United States Health Care System, 55

Frances A. Maurer

Our Traditional Health Care System, 56

Components of the U.S. Health Care System, 58

Direct and Indirect Services and Providers, 64

Public and Private Sectors, 64

Public Sector: Government's Authority and Role in Health Care, 64

Private-Sector Role in Health Care Delivery, 69

Public and Private Health Care Sectors before 1965, 72

Public and Private Sectors, 1965 to 1992, 72

Public and Private Sectors Today, 74

A National Health Care System?, 79

Challenges for the Future, 81

4 Financing of Health Care: Context for Community/Public Health Nursing, 87

Frances A. Maurer

Relevance of Health Care Financing to Community/Public Health Nursing Practice, 88

Relative Magnitude of Health Spending in the United States, 88

Reasons for the Increase in Health Care Costs, 90

Groups at Risk for Increased Costs and Fewer Services, 90

Health Care Financing Mechanisms, 91

Publicly Funded Programs for Health Care Services, 95

Trends in Reimbursement, 105

The Nurse's Role in Health Care Financing, 108

5 International Health, 114

Helen R. Kohler and Frances A. Maurer

Health: A Global Issue, 114

Health Disparities among Countries, 115

International Health Organizations, 116

Health and Disease Worldwide, 119

Health Care Delivery Systems, 125

New and Emerging Health Issues, 128

Role of Nursing in International Health, 131

6 Legal Context for Community/Public Health Nursing Practice, 137

Susan Wozenski

Public Health Law, 138

Community/Public Health Nurses and Public Health Law, 138

Sources of Law, 139

Classification of Laws and Penalties, 146

Purposes and Application of Public Health Law, 148

Legal Responsibilities of Community/Public Health Nurses, 149

How to Find out about Laws, 155
 Standards of Care, 155
 Quality and Risk Management, 156
 Ethics and Law, 157

UNIT TWO

Core Concepts for the Practice of Community/Public Health Nursing, 163

7 Epidemiology: Unraveling the Mysteries of Disease and Health, 164

Gina Castelnovo Rowe

Interests of Population-Based Data, 165
 Types of Epidemiologic Investigation, 167
 Understanding Aggregate-Level Data, 168
 Concepts Related to Prevention, Health Promotion, and Disease, 169
 Health Information Systems, 171
 Demographic Data, 172
 Department of Commerce Health-Related Studies, 175
 Major Causes of Death, 176
 Health Profiles or Status and the Life Cycle, 180
 Health Profiles or Status of Populations at High Risk, 186
 Continuing Issues, 188

8 Communicable Diseases, 192

Frances A. Maurer

Communicable Diseases and Control, 192
 Contemporary Issues in Communicable Disease, 194
 Influences of Modern Lifestyle and Technology, 202
 Issues of Population Safety Versus Individual Rights, 203
 Role of the Nurse in Communicable Disease Control, 203
 Epidemiology Applied to Communicable Disease Control, 205
 Role of Boards of Health, 208
 Nursing Care in the Control of Communicable Diseases, 214

9 Environmental Health Risks: At Home, at Work, and in the Community, 238

Barbara Sattler

Overview of Environmental Health, 239
 Sources of Environmental Hazards, 243
 Environmental Issues for the 21st Century, 260

Community/Public Health Nursing Responsibilities, 263

The Nurse's Responsibilities in Primary, Secondary, and Tertiary Prevention, 264

The Future of Environmental Health Nursing, 265

10 Relevance of Culture and Values for Community/Public Health Nursing, 270

Margaret M. Andrews

Cultural Pluralism in the United States, 271

Culture: What It Is, 272

Values, 273

Race, 274

Ethnicity, 275

Racial and Ethnic Health and Health Care Disparities, 275

Role of Insurance in Health Disparities, 277

Strategies for Eliminating Health Disparities, 277

Understanding Cultural Differences, 278

Biologic Variations, 284

Culture-Bound Syndromes, 285

Cultural Patterns of Care, 285

Community/Public Health Nurse's Role in a Culturally Diverse Population, 288

Culturally Appropriate Strategies for the Community/Public Health Nurse Working with Diverse Communities, 294

Contemporary Issues and Trends, 294

UNIT THREE

Family as Client, 301

11 Home Visit: Opening the Doors for Family Health, 302

Claudia M. Smith

Home Visit, 304

Nurse-Family Relationships, 305

Increasing Nurse-Family Relatedness, 308

Reducing Potential Conflicts, 313

Promoting Nurse Safety, 315

Managing Time and Equipment, 317

Postvisit Activities, 320

The Future of Evidence-Based Home-Visiting Programs, 321

12 A Family Perspective in Community/Public Health Nursing, 327*Marcia L. Cooley*

A Family Perspective, 327

What Is a Family?, 329

Historical Frameworks, 332

How Can These Approaches Be Integrated?, 340

Family Perspectives in Nursing, 340

13 Family Case Management, 345*Claudia M. Smith*

Family Case Management, 346

Family Assessment, 347

Analyzing Family Data, 350

Developing a Plan, 359

Implementing the Plan, 360

Evaluation, 366

Terminating the Nurse-Family Relationship, 368

14 Multiproblem Families, 376*Marcia L. Cooley*

Families Experiencing Crisis, 377

Families with Chronic Problems, 377

Resilience, 381

Responsibilities of the Community/Public Health Nurse, 381

UNIT FOUR**Community as Client, 395****15 Community Assessment, 396***Frances A. Maurer and Claudia M. Smith*

Community Assessment: Application to Community/Public Health Nursing Practice, 397

Community Defined, 397

Basic Community Frameworks, 400

Systems-Based Framework for Community Assessment, 402

Tools for Data Collection, 411

Approaches to Community Assessment, 415

Analysis, 416

16 Community Diagnosis, Planning, and Intervention, 431*Claudia M. Smith and Frances A. Maurer*

Population-Focused Health Planning, 432

Planning for Community Change, 433

Steps of Program Planning, 436

Implementation, 443

17 Evaluation of Nursing Care with Communities, 454*Claudia M. Smith and Frances A. Maurer*

Responsibilities in Evaluation of Nursing Care with Communities, 454

Steps in Evaluation, 456

Questions Answered by Evaluation, 456

Uniqueness in Evaluation of Nursing Care with Communities, 462

Analyzing Evaluation Data, 464

Modification of Nursing Care with Communities, 464

Evaluation Methods and Tools, 464

UNIT FIVE**Tools for Practice, 471****18 Health Promotion and Risk Reduction in the Community, 472***Gail L. Heiss*

Meaning of Health, 473

Influences on Health, 474

National Policy, 475

Health Models, 476

Health-Promotion and Health-Protection Programs, 479

Health Promotion and Nursing Practice, 482

19 Screening and Referral, 491*Gail L. Heiss*

Definition of Screening, 491

Criteria for Selecting Screening Tests: Validity and Reliability, 492

Contexts for Screening, 494

Community/Public Health Nurse's Role in Screening, 499

Screening and the Referral Process, 504

20 Health Teaching, 510*Gail L. Heiss*

Health Teaching Process, 510

Research Results: What Works in Client Health Education?, 512

Nursing Assessment of Health-Related Learning Needs, 513
 Construction of Health Education Lesson Plans, 517
 Health-Related Educational Materials, 521
 Principles of Teaching, 526

UNIT SIX

Contemporary Problems in Community/ Public Health Nursing, 531

21 Vulnerable Populations, 532

Frances A. Maurer

Vulnerable Populations, 533
 Poverty, 534
 Race and Ethnicity and Their Relationship to Income and Health Status, 536
 The Uninsured, 538
 Homelessness, 539
 Migrant/Seasonal Workers, 543
 The Prison Population, 544
 Services Available for Vulnerable Populations, 545
 Nursing Considerations for Vulnerable Populations, 548

22 Disaster Management: Caring for Communities in an Emergency, 557

Mary L. Beachley and John W. Young

Definition of Disaster, 558
 Factors Affecting the Scope and Severity of Disasters, 559
 Dimensions of a Disaster, 560
 Phases of a Disaster, 561
 Disaster Management: Responsibilities of Agencies and Organizations, 563
 Emergency Response Network, 565
 Principles of Disaster Management, 566
 Reconstruction and Recovery, 568
 New Challenges for Disaster Planning and Response, 569
 Nursing's Responsibilities in Disaster Management, 571

23 Violence: A Social and Family Problem, 580

David R. Langford

Extent of the Problem, 581
 National Health Priorities to Reduce Violence, 581
 Violence in the Community: Types and Risk Factors, 581
 Impact of Violence on the Community, 584

Violence within the Family, 584
 Child Abuse and Neglect, 584
 Intimate Partner Violence, 589
 Nursing Care in Abusive Situations: Child or Partner Abuse, 592
 Elder Abuse, 598

24 Adolescent Sexual Activity and Teenage Pregnancy, 608

Frances A. Maurer

Teenage Sexual Activity, 609
 Teenage Pregnancy, 613
 Comparison of Pregnancy-Related Issues in Other Countries, 615
 Public Costs of Adolescent Pregnancy and Childbearing, 616
 Consequences of Early Pregnancy for Teenagers and Infants, 617
 Legal Issues and Teen Access to Reproductive Health Services, 620
 Nursing Role in Addressing Teenage Sexual Activity and Pregnancy, 621
 Primary Prevention, 621
 Secondary Prevention: The Care of Pregnant Teenagers, 625
 Tertiary Prevention, 629

25 Substance Use Disorders, 637

Mary R. Haack

Background of Addiction, 637
 Extent of the Problem, 639
 Theories of Addiction, 643
 Effects of Alcohol and/or Drugs on the Body, 643
 Impact of Substance Use Disorders on Individuals and Family Members, 645
 Responsibilities of the Community/Public Health Nurse, 649
 Community and Professional Resources, 656
 Funding Issues and Access to Care, 657

UNIT SEVEN

Support for Special Populations, 665

26 Rehabilitation Clients in the Community, 666

Roslyn P. Corasaniti and Donna S. Raimondi

Concept of Disability, 666
 Concept of Rehabilitation, 667

Myths about Disability, 670
 Magnitude of Disability in the United States, 672
 Legislation, 675
 Conditions Necessitating Rehabilitation, 677
 Responsibilities of the Rehabilitation Nurse, 678
 Community Reintegration Issues, 681

27 **Children in the Community, 687**

Anne Rath Rentfro

Children in the United States, 687
 Families and Communities with Children, 690
 Common Health Needs of Children, 693
 Children at Risk, 697
 Community Health Care for Children
 with Special Needs, 701
 Community/Public Health Nursing Responsibilities, 703
 Trends in Child Health Services, 704

28 **Older Adults in the Community, 709**

Meredith Wallace

Aging, 710
 Role of Older Adults in the Family
 and the Community, 710
 Common Health Needs of Older Adults, 716
 Impact of Poverty on Older Adults, 722
 Development and Organization of Community
 Resources, 722
 Trends in Health Care Services for Older Adults, 724
 Responsibilities of the Nurse Working with Older Adults
 in the Community, 727

UNIT EIGHT

Settings for Community/Public Health Nursing Practice, 735

29 **State and Local Health Departments, 736**

Sarah Hargrave, Corrine Olson, and Frances A. Maurer

Core Functions and Essential Services of Public Health, 736
 Structure and Responsibilities of the
 State Health Agency, 738
 Structure and Responsibilities of Local Public Health
 Agencies, 740
 Services Provided by the State Health Agency and the
 Local Health Department, 744
 Evolution of Public Health Nursing
 in Official Agencies, 748

External Influences on Public Health Nursing, 748

Public Health Nursing Practice, 749

Future Trends and Issues in Public Health and Public
 Health Nursing, 755

30 **School Health, 760**

Sara Groves and Joan E. Kub

Historical Perspectives of School Nursing, 761
 Coordinated School Health and Its Components, 761
 Organization and Administration of School Health, 766
 Responsibilities of the School Nurse, 768
 Common Health Concerns of School-Aged Children, 771
 Future Trends and Issues in School Health Programs, 777

31 **Home Health Care, 786**

Robyn Rice

Definitions, 788
 Standards and Credentialing, 788
 Current Status of Home Health Care, 789
 Responsibilities of the Home Health Care Nurse, 795
 Issues in Home Care, 797
 Hospice Home Care, 803

32 **Rural Health, 809**

Angeline Bushy

Definitions, 809
 Status of Health in Rural Populations, 812
 Factors Influencing Rural Health, 815
 Rural Lifestyle and Belief Systems, 820
 Rural Community/Public Health Nursing Practice, 822
 Building Professional-Community Partnerships, 825
 Trends and Issues, 826

33 **Community Mental Health, 831**

Verna Benner Carson

Advent of Community Mental Health Care, 831
 Philosophy of Community Mental Health Care, 834
 Population Served by Community Mental
 Health Care, 835
 Services Provided in Community Mental Health Care, 838
 Role of the Nurse in Community Mental Health Care, 839
 The Nursing Process in Practice, 839
 Continuing Issues in Community Mental Health Care, 845

Index, 849
